**Essays**

The following four questions, adapted with permission from the application form for Thomas Aquinas College, are designed to give the Admissions Committee at Our Lady Seat of Wisdom Academy not only information about yourself and your background, but also some assessment of why you would like to spend this foundational year at the Academy. The answers will also give us some idea of the level and quality of your writing style. Your answers should be thoughtful, organized and to the point. The **total** length of the responses should be 6-8 pages, double-spaced, with generous margins.

Answer the questions in order. The questions in parentheses are intended as suggestive aids; you are not required to answer all of them. Write complete sentences, and paragraph sensibly. Use only one side of the paper. Number your answers and your pages. You need not begin each new answer on a new page. The application deadline for early admission is January 8, 2010. The initial deadline for regular admission is March 15, 2010.\* You may apply after this date, but may be placed on a waiting list.

Proofread your pages carefully, watching for errors in spelling, punctuation, grammar, and sentence structure.

1. Describe your life within your family. (For example: Do you have brothers and sisters? How do you relate to your parents and other members of your family? What interests do you share with the other members of your family?)
  
2. What do you think of the education you have had until now? (For example: Has it been successful in meeting your needs, and how does it fit in with your plans? In what ways has it been especially effective? How do you think it might have been improved?) You may also relate some school experience, or other experience, which was formative for you.
  
3. Why do you wish to attend Our Lady Seat of Wisdom Academy? (For example: What aspects of the Academy most appeal to you and why?) Be sure to discuss your understanding of the academic program of the Academy and how this education would contribute to whatever long-term plans (educational and otherwise) you may have.
  
4. Write a review of a book you have read that has particularly interested you. Your review should summarize the contents of the book, as well as convey a sense of the book's strengths and weaknesses.

In addition, please submit:

1. One complete essay from your education during the last 1 - 2 years.
2. Transcripts from any secondary or post-secondary schools attended. If you have been homeschooled, your transcript should be signed by the person primarily responsible for your education, and it should include: a description (three or four sentences) of each homeschooled course at the secondary level, detailing the content of the course, materials used, and method of evaluation; as well as a grade (both numerical and alphabetical) for each course.
3. SAT and/or ACT scores, if available.
4. A recent photograph of yourself (head and shoulders).
5. Application fee.

\*Applications postmarked on or before January 4, 2010, or received by January 8, 2010, will have the application fee waived. Complete applications received later than these dates, but postmarked by the initial March 15, 2010 deadline for regular admission, will pay an application fee of \$50. Those applying after this date will pay a late application fee of \$100.
